Dear Parent/Carers,

Ukulele Lessons

Following on from the success of ukulele lessons in class, we have some children who would like to take this further and start private lessons.

In order for Berkshire Maestros to come and host these lessons on site during the school day, we need a minimum of 8 students to sign up, lessons will be 30 minutes long and will cost approximately £9 per lesson.

Children will need to provide their own ukulele.

If your child is interested in attending these lessons please return the attached slip.

Kind regards

Lucy Howard
Office Administrator/Receptionist
