7th February 2018

Dear Parent/Carer,

In EYFS the homework expectations are as follows...

20 minutes of reading and or phonics activities 5 times per week.

We have noticed that a lot of parents are not reading with their children at home. It is fundamentally important that you read at home to support your child's development in reading.

We recommend reading at least 5 times per week for 20 minutes at a time. You don't have to read the reading books every time. You can also use some of the resources that have been handed out to support reading development. Please ensure that you sign in the diary every time that you read with your child as this is the only way that we know they are being read with at home. Please note that books will not be changed unless we see that they have been read. Going forward we will now be contacting parents who are not reading at home to discuss why this is.

The children who make the most progress with their reading in foundation are the ones that are regularly read with at home.

Please come and see a member of the foundation team if you require any help with this or are unsure how to use the resources provided as we will be more than happy to help.

Thank you for your continued support with your child's learning.

Mrs Luzolo

EYFS Phase Leader
