

FRIDAY UPDATE

Woodley C of E Primary School

Issue: 7

Friday 22nd May 2020

Dear Parents/Carers

Today you will receive home learning grids for the two-week period commencing Monday 1st June.

The school has been busy planning for the proposed re-opening to years FS2, Year 1 and Year 6. We do not have any dates, as yet, about any further year groups returning and we will keep you informed about new information as we receive it.

The plans for the school re-opening and the letter to the parents of those children will be on the school website, for information, from Monday 1st June.

Teachers will still be trying to provide the same level of support for you, our families but please be patient as they will now be teaching in class as well. Phone calls to children from their class teachers, after your initial call, will no longer be possible.

All it remains for me to say is to have a good half-term. I hope we are blessed with the fine weather and please let your children know they are continually in our thoughts.

Best wishes

Mrs Louisa Gurney
Head Teacher
