

## **PE GRANT**

The government is providing funding to improve provision of physical education (PE), sport and physical activity in primary schools.

We received

£9280 for 2014-5

£9271 for 2015-6

This is calculated at £8000 per school plus £5.00 per eligible child. More information regarding this grant can be obtained from the DFE website at

<http://www.education.gov.uk/schools/adminandfinance/financialmanagement/b00222858/primary-school-sport-funding/eligibility>)

Though a variety of clubs, competitions and coaching, we enable children to participate and access a range of sporting activities both in school and other venues. This includes, football, netball, athletics, cricket and sports skills. We also run and develop inter school and house competitions at our school.

We recognise the contribution of PE and sport to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and achievement of all our children.
