Message from Chair of Governors, Mrs Gemma Plowright

Following on from last Friday's update which contained the Remote Learning Feedback from the parents, which I am sure you have all had the chance to view, on behalf of the Governing Body I would like to say thank you for completing this survey and for your overwhelmingly positive comments around the resources, support and live lessons that our staff have worked so hard to produce throughout the last lockdown. I also wanted to thank the staff for such a smooth transition back to the full school we know and love, it was heart-warming to see so many bouncy/happy children returning to school on Monday and we feel that is a real testament to the staff for their work throughout the lockdown to engage with the pupils and their learning but you as parents, you have been amazing and we thank you.
