23rd January 2019

Dear Parent/Carers,

As part of our Design and Technology curriculum, we would like the Upper Junior children to take part in food tasting and recipe developing sessions. Over the course of 3 weeks the children will taste, make and evaluate their own Greek dips.

This is linked to our topic on Greece and will involve making and tasting typical Greek dips such as hummus (a chickpea dip), tzatziki (a yogurt based dip) and tirokafteri (a feta cheese based dip).

If your child has any food allergies, please indicate these on the form below. Each child will need written permission to take part in this activity, regardless of allergies.

If you have any further questions, please speak to your child's class teacher.

Please return slip to the school office by **Thursday 31st January 2019.**

Kind regards,

Mrs H Parsons, Mrs A Sharman, Mrs A Morton,

Upper Junior Team
