

# FRIDAY FORECAST

## Woodley C of E Primary School

Issue: 16

Week beginning: 10th February 2020

### Key Information

**Monday 10th - Thursday 13th Year 6 Mock SATs Week** This is an important week for Year 6, as it informs teachers where more support is needed and ensures that each child has the appropriate access arrangements. It also gives the children the experience of what the actual SATs will be like. It is however a practice week and we will ensure that the children remain calm and do not worry about the tests. Please reassure your children at home that they can do their best but to keep the exercise in perspective

**Friday 14th** - Last day of school before the half term. School will finish at normal time
