6<sup>th</sup> November 2018

Dear Parent/Carers,

The Infants are learning about healthy eating and different food groups this half term. As part of our Design and Technology curriculum, we would like the children to make healthy fruit salads, which they will be able to eat in school.

If your child has any allergies to fruit, please can you indicate on the form below. Each child will need written permission to take part in this activity, regardless of allergies.

If you have any further questions, please speak to your child's class teacher.

Please return slip to the school office by Monday 12<sup>th</sup> November.

Kind regards,

Mrs L Powell  
KS1 Phase Leader
