Notices

Car Park – an important reminder

Access to the car park before school is not permitted by parents dropping children to school clubs or Airfield breakfast club.

This is for the safety of all children and adults arriving at school. The car park is very small and all the spaces are required for employees.

Please note that parking is also not permitted for collecting children from after school clubs.

If you have a child in the Airfield After School club, you are able to park in the car park to collect your child after 5.00pm.

If you have a specific reason where you may need access to a parking space, please come to the school office for an arrangement and this will be considered.

Thank you so much for complying with our safety procedures.
